Preference to Work-from-home

To handle this crises all the departments are advised to follow Work-from-home.

Only in case of set situations employees are allowed to come to office/warehouse.

Health & safety comes first.

Temperature screening

Every person goes through the temperature screening before entering to the premises.

Staff, labor, drivers every one has to pass through

No Mask No Entry

Every person has to wear a proper mask,

Entry without mask is not allowed

Sanitization

Every person enters premises after using hand sanitizer.

Proper Sanitization is being done every time of every vehicle and material before entry.

Aarogya Setu

Its made mandatory for all the employees to download Aaogya setu app, as per the government guidelines.

Safety team makes sure that apps been downloaded by all.

Social distancing

Namaste!!!

Following social distancing of min. 2Meters.

Close contact/ handshake and touching each other is prohibited

Health & Safety First

- Our safety team make sure that every required precautions are taken and guidelines been followed by all for all.
- Staff from restricted areas are advised to work from home only.
- We make sure that all the safety equipments & hygiene work
